

## **EXCELLON AND OTIS SHAREHOLDERS OVERWHELMINGLY APPROVE BUSINESS COMBINATION**

Toronto, Ontario – April 17, 2020 – Excellon Resources Inc. (TSX: EXN, EXN.WT, OTC: EXLLF and FRA: E4X1) ("Excellon") and Otis Gold Corp. (TSX-V: OOO, OTC: OGLDF, FRA: 4OG) ("Otis") are pleased to announce that all resolutions put forth in connection with their proposed business combination to be completed by way of a plan of arrangement (the "**Arrangement**") were overwhelmingly approved today at the special meeting of shareholders of Excellon (the "**Excellon Meeting**") and at the annual general and special meeting of shareholders of Otis (the "**Otis Meeting**").

### **Highlights**

- the Share Issuance Resolution and the Consolidation Resolution were approved by 98.39% and 91.54%, respectively, of the Excellon shareholders present in person or represented by proxy at the Excellon Meeting.
- the Arrangement Resolution was approved by 99.86% of the Otis shareholders present in person or represented by proxy at the Otis Meeting.

Excellon President & CEO Brendan Cahill stated: "We are grateful for the strong support of our shareholders for our acquisition of Otis Gold and look forward to realizing the opportunity we see in the Kilgore Project. The world has changed since we announced this transaction, but gold has played its role as the ultimate store of value and wealth, increasing in value against an historically unsettled period in the broader market. We wish everyone the best of health and a return to everyday life as soon as possible."

Otis President & CEO Craig Lindsay stated: "I am very pleased that the proposed transaction with Excellon was overwhelmingly approved by shareholders of both Otis and Excellon. We are excited to partner with an experienced producer to advance the Kilgore Project. We look forward to the future growth opportunities this combination creates."

### **Excellon Shareholder Approvals**

At the Excellon Meeting, the ordinary resolution authorizing the maximum number of common shares of Excellon ("**Excellon Shares**") issuable in connection with the Arrangement (the "**Share Issuance Resolution**") was approved by approximately 98.39% of all shareholders of Excellon present in person or represented by proxy at the Excellon Meeting. The shareholders of Excellon who participated in the vote represented approximately 50.82% of all issued and outstanding Excellon Shares entitled to vote on the Share Issuance Resolution.

In addition, at the Excellon Meeting, the special resolution authorizing the consolidation of all of the issued and outstanding Excellon Shares (the "**Consolidation Resolution**") was approved by approximately 91.54% of all shareholders of Excellon present in person or represented by proxy at the Excellon Meeting. The shareholders of Excellon who participated in the vote represented approximately 50.82% of all issued and outstanding Excellon Shares entitled to vote on the Consolidation Resolution.

The consolidation ratio, if determined to be in the best interests of Excellon, will be selected by the Excellon board of directors in its sole discretion, provided that the ratio shall be no smaller than one new

post-consolidation Excellon Share for each five (5) pre-consolidation Excellon Shares and no larger than one new post-consolidation Excellon Share for each ten (10) pre-consolidation Excellon Shares. The consolidation will occur at a time determined by the Excellon board of directors and announced by a press release.

A report of voting results describing the matters voted upon at the Excellon Meeting is available on SEDAR ([www.sedar.com](http://www.sedar.com)) under Excellon's issuer profile.

### **Otis Shareholder Approvals**

At the Otis Meeting, the special resolution authorizing the Arrangement (the "**Arrangement Resolution**") was approved by (i) approximately 99.86% of the shareholders of Otis present in person or represented by proxy at the Otis Meeting, and (ii) approximately 99.85 % of the shareholders of Otis when excluding the votes of certain shareholders required in accordance with Multilateral Instrument 61-101 – *Protection of Minority Shareholders in Special Transactions*, present in person or represented by proxy at the Otis Meeting. The shareholders of Otis who participated in the Arrangement Resolution vote represented approximately 58.6% and 56.7%, respectively, of all issued and outstanding shares of Otis entitled to vote on the Arrangement Resolution.

Shareholders of Otis also approved certain annual resolutions at the Otis Meeting. As such, until the earlier of the completion of the Arrangement or the next annual meeting of Otis shareholders: (i) Craig Lindsay, Sean Mitchell, Donald Ranta, Roger Norwich, Tim Miller and Don Poirier have been elected to the board of directors of Otis; (ii) D+H Group, LLP has been appointed as independent auditor of Otis; and (iii) Otis' stock option plan has been re-approved.

### **Arrangement Update**

Completion of the Arrangement remains subject to, among other things, satisfaction of all conditions precedent to closing the Arrangement, including the final approval of the British Columbia Supreme Court. The hearing for the final order of the British Columbia Supreme Court to approve the Arrangement is scheduled to take place on April 21, 2020 by telephone conference. Any Otis shareholders wishing to attend the court hearing should contact Otis at the address below. Assuming that all approvals are obtained and all conditions precedent are satisfied or waived in a timely manner, Excellon and Otis currently anticipate the closing of the Arrangement to occur on April 23, 2020.

Under the terms of the Arrangement, Excellon will acquire all of the issued and outstanding common shares of Otis (the "**Otis Shares**") and in exchange, holders of Otis Shares will be entitled to receive 0.23 Excellon Shares in exchange for each Otis Share held. Further details regarding the Arrangement are set out in the joint management information circular of Excellon and Otis dated March 13, 2020, which is available on each of Excellon's and Otis' websites and SEDAR profiles.
